CONCERNING THE REDUCTION OF PLASTIC BAG USE.

Bill Summary

(Note: This summary applies to this bill as introduced and does not necessarily reflect any amendments that may be subsequently adopted.)

Creates the "Plastic Bag Reduction Act" (act), which prohibits a store that meets the following criteria from providing plastic bags to customers on and after July 1, 2012:

! The store has a retail floor space of at least 10,000 square feet; and

! The store has gross annual sales of at least $1,000,000.

Exempts any store operated pursuant to a franchise agreement from the scope of the act.

Makes noncompliance with the plastic bag prohibition a class 2
petty offense and sets the following penalties upon conviction thereof:

! A fine not to exceed $200 for a first violation within a
calendar year;
! A fine not to exceed $300 for a second violation within a
calendar year; and
! Fines not to exceed $500 for each additional violation
within a calendar year.

 Specifies that each plastic bag provided shall be deemed a separate
violation.

 Beginning September 1, 2009, imposes on customers a fee of 6
cents for every plastic bag provided to a customer by a store meeting the
above criteria. Requires the store providing the bags to retain 3 cents and
transfer the other 3 cents to the state treasurer. Creates the plastic bag
reduction education fund (fund) in the state treasury, consisting of the
plastic bag fees that are transmitted to the state. Requires the fund to be
used to educate people on the upcoming plastic bag prohibition. Repeals
the fund on July 1, 2013.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Title 25, Colorado Revised Statutes, is amended BY
